COURSE ETIQUETTE

To maintain the quality of our course and ensure you have an enjoyable experience, we kindly ask you to adhere to the following principles.

General guidelines and pace of play

- Please turn off your cellphone and reach the first tee at least 5 minutes prior to your tee-time.
- Be aware of your pace of play and consider following flights. Observe the ball flight and location of your fellow golfers' ball to minimize the time spent searching. Do not spend more than 3 minutes searching for a ball.
- Please abide by the dress code.
- Ensure that the players in front have played to create sufficient distance before playing your shot. Please use the cameras and bells as directed on the scorecard.
- Smoking is prohibited on the golf course (including e-cigarettes).

Bunkers

- Enter bunkers on the low side or using the steps. Exit the bunker the same way you entered.
 - Please take time to rake the bunkers.
-

Tee areas

- Please do not take trolleys or carts onto the teeing areas.
-

Course and fairways

- Please retrieve and replace your divot.
 - Do not walk on the grass between the greenside bunkers and the greens unless you must do so to play a shot. Please never push a trolley or drive a cart across these areas.
 - Please avoid the front greens with your trolleys.
-

Greens

- Always repair pitch marks on the green, even if they are not made by you.
 - If you remove the flagstick, lay it down carefully.
Please do not drop it or let it fall horizontally onto the turf.
-

Dress code

- Smart casual.
- Golf caps and metal spikes are not to be worn in the Clubhouse.

We wish you an enjoyable experience and a great day of golf!
